

Nishkarsh Jain

Data & AI Consultant | Solutions Engineering Leader

PLACEHOLDER DOCUMENT - REPLACE BEFORE LAUNCH

This file is a placeholder shipped with the website so that every download link works from the first deploy. Replace it with your real resume, keeping the same filename:

`public/nishkarsh-jain-resume.pdf`

If you rename the file, update `resumePath` in `src/content/site.ts`.

Suggested contents: summary, experience across Data / AI / Cloud / Solutions Engineering, selected outcomes, certifications (SnowPro Core, Azure Data Scientist Associate), and contact details.
